

## BUSINESS-FRIENDLY FRENCH REGION MAKES IT EASY FOR BRITISH BUSINESS TO PROSPER IN EUROPE AND LEAVE POST-BREXIT FEARS BEHIND.

If you didn't vote for Brexit or it's not right for your business why not vote with your feet and open an office, or settle a production unit in Normandy. There is still no sign of what a trade agreement with the EU might look like. Now is the time to act.

Normandy and its business agency AD Normandie will do all they can to help with their range of turnkey solutions and welcome packages.

They include a special economic zone with reduced tax rates; public support for investment projects; a dedicated team 24 hours a day and support for families with special mobility needs. Normandy is just across the channel and you can forget the hassle you normally associate with opening in a new territory. You will find the process as smooth as their Camembert...or their oysters for that matter.
